

Infectious Disease Physician - Full-Time Practice Opportunity

Metropolitan Denver, Colorado
Western Infectious Disease Consultants, PC (WIDC)

Position Type	Practice Setting	Infusion Center Regions	Expected Start Date
Full-Time	Physician-Owned Infectious Disease Practice	Lakewood and Broomfield	Immediately

Western Infectious Disease Consultants, PC (WIDC) is seeking a motivated and entrepreneurial Infectious Disease Physician to join our established physician-owned practice, serving the Denver metropolitan area since 1982.

This full-time opportunity is ideally suited for a physician seeking meaningful patient volume, professional autonomy, leadership within an independent specialty practice, and a defined clinical role supporting the regional needs of WIDC's infusion centers in Lakewood and Broomfield.

Position Overview

The full-time physician will provide comprehensive infectious disease care across WIDC's inpatient and outpatient service lines, with dedicated responsibilities supporting clinical care, physician availability, and regional continuity for patients receiving infusion services through WIDC's Lakewood and Broomfield infusion centers.

The role includes collaboration with WIDC physicians, nursing, pharmacy, clinical operations, and administrative leadership to ensure safe, timely, high-quality patient care across both infusion center regions.

Opportunity Highlights

- Full-time Infectious Disease physician opportunity within an established, independent, physician-owned specialty practice.
- Clinical responsibilities supporting the regional needs of both WIDC infusion centers and associated hospitals in Lakewood and Broomfield.
- Established 100% Infectious Disease practice with inpatient and outpatient services throughout the Denver metropolitan area.
- Clinical opportunities include HIV care, PrEP, Hepatitis C treatment, infusion services, travel medicine, telemedicine, and the opportunity to develop a wound care practice.
- Meaningful patient volume with professional autonomy and the ability to grow within a highly respected specialty practice.
- Hospital rounding with advance schedules posted, along with opportunities to add rounding shifts as appropriate.
- Exposure to antimicrobial stewardship, infection prevention, infection control, and outbreak management programs throughout the Denver metro area.

Physician Duties – Lakewood and Broomfield Regions

- Provide physician support and clinical decision-making for infectious disease patients in both the Lakewood and Broomfield regions.
- Evaluate, treat, and follow patients whose care plans require coordination with WIDC infusion services.

- Collaborate with nursing and pharmacy team members to support appropriate therapy plans, monitoring expectations, and clinical follow-up.
- Remain available for physician-level questions related to infectious disease patients, including care coordination and timely clinical escalation when needed.
- Support consistent clinical workflows, documentation standards, patient safety expectations, and communication practices across both infusion center locations and affiliated hospitals.
- Participate in clinical quality improvement efforts related to infusion services, patient outcomes, access, and continuity of care.

Candidate Qualifications

- Board Certified or Board Eligible in Infectious Disease.
- Strong clinical skills and commitment to patient-centered care.
- Interest in practicing within an independent, physician-led organization.
- Ability to collaborate effectively with physicians, nurses, pharmacy staff, clinical operations, and administrative leadership.
- Comfort supporting care across multiple clinical locations and regional service needs.

Compensation and Benefits

WIDC offers a highly competitive compensation model designed to reward growth, productivity, and long-term commitment to the practice.

- Medical, dental, and vision insurance.
- Employer-paid long-term disability coverage.
- Flexible CME allowance.
- Phone and automobile stipends.
- Paid malpractice coverage.
- Paid professional dues, licensing, and credentialing fees.
- Generous Profit-Sharing Plan.

Why WIDC?

WIDC is a completely physician-owned and physician-managed practice. We are independent from hospital ownership while providing services across major healthcare systems throughout the Denver metropolitan area. Our physicians enjoy the autonomy, flexibility, and entrepreneurial opportunities that are increasingly difficult to find in today's healthcare environment.
